To

All Pharma Associations

Sub: Online Registration on Integrated Pharmaceutical Database Management System (IPDMS) - Reg.

Sir,

It has been observed that many Pharma companies have not yet registered with the IPDMS system despite extension of time limit by the NPPA. It may be noted that NPPA has already provided the user-ID and password to the registered companies to make online submission of data as required under the provisions of DPCO, 2013.

2. It has been observed that out of top 100 Pharma companies, 59 companies have not registered with the system (*list of such companies is enclosed for ready reference*).

3. NPPA will be launching this system shortly. You are, therefore, requested to impress upon your member companies to register themselves with the IPDMS immediately, failing which NPPA shall be constrained to take appropriate action under the provisions of DPCO, 2013 read with the Essential Commodities Act, 1955 without any further reference in the matter.

Encl: As above.

Yours faithfully,

(Kalyan Nag)
Adviser (Cost)
